

## Dermaplaning facial

This treatment is a favourite of the celebrities in Hollywood and here in the UK! **£55**

- It's a method of exfoliating using a scalpel to remove the vellous hair (peach fuzz) and scrape off the dead skin cells from the face.
- It leaves the skin smoother and brighter and perfectly prepped for make-up.
- Immediately lessens the appearance of fine lines and wrinkles.
- Gives the skin a glowing appearance.
- Production of collagen is enhanced especially with regular treatments.
- Unclogs pores.
- Helps with uneven skin tone, acne scars, stretch marks and pigmentation.
- Defines cheekbones and jawline.
- Pain free with no side effects and hair does not grow back quicker or thicker!
- Finish off with a Genosys Intensive Collagen sheet mask

## Mesotherapy facial

Mesotherapy can instantly improve dull, tired looking skin and superficial wrinkles but can also help to improve sluggish blood circulation, aiding the body to flush out ageing toxins. This treatment can also be used to address pigmentation and treat acne scarring. Rather than correcting the surface of the skin like a cream, this treatment reboots skin from the inside out for overall complexion health.

Benefits:

- Increases the firmness and elasticity of the skin.
- Overall skin rejuvenation.
- Improvement in the skin's complexion and radiance.
- Prevention of wrinkles and revives dull, tired looking skin.
- Improves tone of sagging skin.
- Treats all skin types safely.

Customised ingredients for your skin issue such as:

- Fine lines and wrinkles.
- Age spots and pigmentation.
- Oily/spot prone/open pores.
- Dry, dull, lifeless uneven skin.

Immediate results that improve over the course of the following week and lasts for 8-12 months.
